

1.2.20
a Lesson in the University of The New Covenant
Theodore Cottingham, February 10, 2004
www.unc.bz

1. The University of the New Covenant will come into play with everything I am doing in My New Covenant in the days to come, for it will be known as synonymous with Me - arising My followers, disciples in Me – leaders in your kingdom who are leaders in My kingdom.

2. Shrink not from this assignment to proclaim liberty to the captives and to educational systems replete- complete- but without Me; complete except for My wisdom, My knowledge, My understanding, My power, My voice, My design values coming forth from My graduates; complete except for all the most important things Ted; complete except for the completion- implementation- of Me- throughout every person: teacher, student, leader, follower, transformed and transforming society and societies across continents many; complete except in their incompleteness, for now I come to remedy and speak and touch and heal and graduate into My school- for the purpose of birthing schools- in My rapacious, desperate-enough-for-Me to seek Me desperately in diligence, and opening to My revelation, My Me, so that I can come through them in power and authority, transforming all around them and all they influence.

3. Thank you. Shrink not back. **Proclaim the University of the New Covenant as My birth-er of My schools and school systems and development systems of nations and economies and those pure in Me, paying the price they are, they will- on bended knee, knee-ology-** My theology, not man's doctrines of do's and don'ts, yes's and no's, but My system internalized with gyrocompasses of My Spirit, in production of My priceless belongings to My who-love-Me-enough, who come before Me and intercede for nations and friends and healing of governments and souls throughout the deprived, deficient-of-Me.

4. I love you. University of the New Covenant – Me – My school – who, what, which – will birth many schools, and be excelled by her children.

5. I give unto you this day birthing privileges beyond your dreams – Freedom – intimacy'd ones who come and know Me intimately and wear their new name on their forehead.

6. Your name is father for you are fathering many new nations today for Me, a royal priesthood, accompanied by My Spirit internalized and externally making way for warriors a-plenty, without number, into My kingdom, freed men, freed women, slaves not, constricted not, freedomed in perfect freedom.

7. Trials come but I am in each one, with you, to see you through and maturing all involved. I love you. I love you. I love you.

8. Incorporate [1] and wise be.

9. Wisdom prevail.
10. Strategic resources at your disposal all, all, all are ready, all is ready, move forth, advance, taking territories and nations for Me. More will be provided soon.
11. [Work for Me alone](#) and the advance of My kingdom upon the earth through your words and My University system of birthing freedom through prayer and intimacy with Me, resulting in relationships many – global – across continents in networks new and results and reproduction of only Me. Oh watch Me, watch Me, watch Me. I love you. I love you Ted – guts – I love you for your guts for Me. Incredible. Thank you. Deepening, strengthening, I thank you. I love you. Tender, meek, loving, understanding, forgiving, understanding, tender, meek, forgiving – arising My body.
12. I love you, have it here, between My columns and among pictures of Me, My glass, My craftsmen, with glory to Me, by all, submitted to Me, submitting all to Me, and you review and judge to encourage and evaluate and promote and produce and all will be glad, oh so powerfully glad.
13. My value systems review for re-orientation of My value system allowing others to fail, so they can mature, and grow, and judged not as condemned, but judge worthy and maturing, encouraged and enveloped in Me they'll become in diligence – in My quarters.
14. [Courses of Me Ted, courses of Me, all the courses of Me will be, and about niches of many multiple facets of Me – one.](#)
15. Cross pollination so elementary, yet of Me, now build on. Multiple, manifold levels and layers of Me reveal Me into My open-seeking-Me, in concert with My values and love, love, love displayed and honored and protected.
16. Walls when necessary, openness when necessary, openness when available and wisdom discerned.
17. [I love you. I love you. Secretive not, bannered to all – I am I Am and I am doing this today, watch Me, \[The Proclamation of My University\]\(#\), banner on My home page and all that you do](#), for all now comes forth through these doors – [your life's work](#) – your future – [your magnanimous proportion of giving to My body emerges into full view in details upon details coming to you, and who-write-for-Me, of Me, of what I say and want done.](#)
18. Proclamation this day, 10 February 2004.
I Am.
I am that I am.
I am I Am.
19. Power and authority are given unto you for this, for this is My will, My decree, My joy of joys coming into fruition, fullness, action, initiated by Me, by My servant, simple, humble, meek, always loving Me, Me first – knowing, acting, living – that all 'these things' will be added, given, thee, you, Ted.

20. Arise, confidenced, **BOLDLY** going forth.
Arise in confidence, boldly going forth.
No timidity – none, none, none.
Boldly, boldly, emboldened through and through.

21. I am the Alpha and Omega, the beginning and the end of all things, of you, of this
My school. Arise, open, graduate, permeate networks of Me throughout My body
building sinew of Me in every organ of society complete.

I love you, I love you, I love you.
And I thank you deeply.

22. Thank you – to those who stand with you, and forge new territory in Me, for them,
for us all. Oh joy of joys. Arise, Me-ed.

Thank you, thank you, thank you.
